

DBE Notification And Reporting Service

PennBid continues to offer DBE (Disadvantaged Business Enterprises) Notification and Reporting service - provided at no cost to our users. PennBid's extensive experience has produced a process and provided final reports that are accepted by most, if not all, funding agencies.

Due to the steps involved, this service is provided upon request only. To request DBE notifications on a project, send an email to info@pennbid.net at least 1 (one) business day before your project's Advertising or Open Date with a copy of the project advertisement.
